Subject: Experience Certificate

This is to certify that **Ms. Sally Maroush** worked remotely with us as a Front-End and Mobile Developer from 04/08/2023 to 1/11/2025.

During her tenure, Ms. Sally consistently demonstrated professionalism, creativity, and strong technical skills. She actively contributed to the design and development of modern, responsive web and mobile applications, ensuring a seamless user experience across platforms.

Her work involved developing and maintaining front-end interfaces using modern frameworks such as React.js and React Native, as well as implementing optimized, scalable architectures. She collaborated closely with the UI/UX design team and backend developers to translate design concepts into functional applications, maintaining high standards of code quality, performance, and usability.

Ms. Sally also played a key role in enhancing mobile application performance and implementing efficient state management solutions. Her proactive approach, attention to detail, and ability to work effectively in a remote environment made her a valuable member of the development team.

We sincerely thank Ms. Sally for her dedication and contributions, and we wish her continued success in all her future endeavors.
